

PRAGATI

(Pro-Active Governance and Timely Implementation)

PRAGATI (Pro-Active Governance and Timely Implementation), as the name suggests, is aimed at starting a culture of Pro-Active Governance and Timely Implementation. It is also a robust system for bringing e-transparency and e-accountability with real-time presence and exchange among the key stakeholders. The platform was launched on March 25, 2015.

It is a multi-purpose and multi-modal platform that is aimed at addressing common man's grievances, and simultaneously monitoring and reviewing important programmes and projects of the Government of India as well as projects flagged by State/UT Governments
